Defeatism? we often hear Red China will soon be admitted to U N; why should we retreat on moral issue? defeatism on our side causes enemy to miscalculate, assume we will not fight for our policies, F 6 p 100

LAWRENCE, DAVID—Contd.
What other system? those in authority reveal at times impatience with dem system; we need crusade for clean govt, not dictatorship by anybody inside, outside govt, F 13 p 120
World united? poem, F 20 p 100
Man's biggest danger, without trust, confidence no agreement on "disarmament" or arms control would be worth paper on which it's written; how can truth be made known to people in Communist countries? F 27 p 112
History repeats, we are being deceived again by Communist phony promises of "peaceful co-existence", "disarmament" Utopias; mistakes in past are not even being reviewed today, Mr 6 p 116
"Good Pres?" could indeed become "man of destiny", John F Kennedy can be great Pres if he will rise above party, personal ambition, selfishness of groups, blocs; history is sometimes unkind to our Presidents, Mr 13 p 116
Prosperity unlimited, Amer could be rebuilding itself right along if govt tax policies on "depreciation" were revised, plus incentive to capital formation, reprinted from issue of May 9, 1958, Mr 20 p 120
"Law of land", private, sectarian schools, at whatever level, must be treated alike, given "equal protection of law"; First Amendment forbids Cong to make any law to establish any religion, "prohibit free exercise" of any religion, Mr 27 p 124
Penalty of change, 1960 not time for change in Admin; despite what Dems said in ridicule of Nixon, Dulles' policies, we are at brink of armed conflict, must let Soviets know Amer people stand behind their Pres, Ap 3 p 116
"Unsqueezing" profits, need for higher incomes for individuals as well as higher profits for corps; incentives needed to profit, to remove barriers which prevent Treas from getting revenues it must have in 60s; when is Admin going to remove obstacles to job creation? Ap 10 p 108
Does "might make right"? examination of facts preceeding, after Civil War becomes pertinent today; shall we eventually witness end of so-called sovereign States? what five Presidents said on constitutional issues, States' actions; Civil War teaches us lesson as guide for future of Amer, Ap 17 p 116; 110-115

Climax is here, under heading "The Coming Climax", following editorial appeared on this page in issue, January 9, 1961, My 1 p 116
Conformity by coercion, Kennedy Admin ignoring right of people to run own local govt, intervened in federal court proceeding, demanded Virginia compel one county to open public schools; "civil rights" is worthy objective, but if Virginia fail to to comply, State funds were to be ordered withheld from all public schools; this is legalistic kind of blackmail, My 8 p 116
Uncle Sam—price-fixer, politicians who constitute majority in Cong smothering competition, scorn word "monopoly"; examples of steel strike, farm bill; large cos often victims of congressional interference through laws that permit labor groups to play decisive part in fixing prices, My 15 p 124
Wanted: policy on Cuba, Admin must be prepared to enforce demands by military action if necessary, cannot be termed in internatl law as "intervention", but proper exercise of U S rights to protect lives, properties of its citizens, My 22 p 116
Kowtowing to Khrushchev, Pres Kennedy has disheartened millions by willingness to sit down with Khrushchev; what writer said on confs with Soviets on this page, May 30, 1955; May 5, 1955; why should our Govt place credence in word of ruler who has broken faith on every occasion, My 29 p 112
Revolution—50 yrs after, Mexico has made substantial progress in her evolution toward fulfillment of ideals of Madero revolution; today Communism is worse enemy than any past dictatorship, has made recent gains inside Mexico, Je 5 p 116
The devil rides again! widespread indifference to potency of reason in world today; "freedom riders" inciting violence in our own country; we turn to Scriptures, devil must be defeated by reason, inspired by "word of God", Je 12 p 112
Wanted: foreign policy, how long must Amer people wait for their new Pres to be "educated" in foreign affairs? we must sooner or later in "cold war" face up to Communist threat, take action; absence of consistent, balanced policy by U S in internatl affairs is biggest weakness of West today, Je 19 p 108
Voice that will not fail, dilemma is failure of mass communication, only dictator's voice is heard distorting, twisting, behind Iron Curtain; in democracies of West, we speak language of appeasement, showing weakness, permitting enemy to take over more, more—better than war? voice of free peoples, truth, reason must get through, then no dictator can survive, Je 26 p 108
